

The logo for Host 1 Plus features the word "Host" in white, a stylized orange diamond containing the number "1", and the word "Plus" in white. The background of the entire page is a blue-tinted photograph of three people in a meeting, with a white semi-transparent box at the bottom containing text.

Host 1 Plus

Hosting Your Success

Business Solutions

Technical expertise driven solutions tailored for your business.

Overview

Today's enterprise infrastructure keeps on growing in complexity due to multi-homed deployments, different virtualization and automation stacks, compliance or regulatory requirements.

The task of managing this complexity grows exponentially. Host1Plus Business Solutions division is a one-stop shop to help enterprises tackle the issue.

Why Host1Plus?

Our experience running the successful hosting business brings years of expertise in design, build, and testing, deploying and managing complex IT infrastructure around the globe. We will collaborate with your IT department to design the best-fit solution suiting your business needs. Managing it will be our 24/7 job, freeing up your IT workforce to work on higher-level challenging tasks.

With a standard package a dedicated account manager and access to top-notch engineering resources is included. Custom development resources are available on demand.
